Now you have meaningful, relevant data

Refer to hardcopy of "How to use Census at School" www.projectmaths.ie

CensusAtSchool - an International Children's Census

Collecting and disseminating real data for use by teachers and students

in data-handling, ICT and across the curriculum for teaching and learning.

CensusAtSchool is a non-profit making project funded by organisations interested

in promoting good use of statistics and data handling.

Ireland became involved in CensusAtSchool in 2009 when the NCCA, the CSO, NCTE and PMDT collaborated to set-up the Irish website, www.censusatschool.ie.
