# Project Maths News Update # 27

## Welcome back

We would like to wish all teachers and students best wishes as you start into the new school year 2015-2016.

## Reflections on Practice

The Project Maths Development Team are pleased to announce that they will be working in a structured and in-depth collaboration on *Reflections on Practice* provided locally.

More...

## Lesson Plans

Lesson plans from our *Maths Counts 2015* Conference are available on our website. Thank you to all the teachers throughout the country who contributed to these valuable resources.

More...

## Check out

The **Teacher Handbooks** provide a sequence of learning for students designed to ensure that students have the requisite prior knowledge before commencing a new topic.

Step-by-step **GeoGebra Video Tutorials** uploaded

Our new **Student Area** of [projectmaths.ie](http://projectmaths.ie).

## Upcoming event

Our **school visits** for 2015-16 have now started. If you have not yet applied for one contact our office.
