

# Maths Counts 2016

## *Learning and Teaching Mathematics in Irish Post-Primary Schools*

### Conference for all post-primary Mathematics teachers

*University College Dublin, Belfield, Dublin 4*

**Friday 22<sup>nd</sup> April**

**18.00 – 19.00** Registration

**19.15 – 20.30** Keynote Speaker **Professor Akihiko Takahashi**, an internationally acclaimed expert in facilitating teachers to develop their ability to teach through problem-solving. **Professor Takahashi** will teach a problem-solving lesson to a group of students live at the conference. **This is not to be missed!**

**20.30 – 22.00** Wine & Canapé Reception

**Saturday 23<sup>rd</sup> April**

**09.00 – 09.30** Registration

**09.30 – 11.00** A continuation of the live series conducted by **Professor Takahashi**

**11.30 – 16.15** Presentations by teachers who have been engaged in *Reflections on Practice* nationally throughout the year on various topics.

The conference is the result of both individual teachers' and schools' participation in a professional development initiative based on *Reflections on Practice*. This captures and promotes problem-solving lessons through teacher and school group collaborative planning, observation and analytic reflection. The conference aims to disseminate teachers' strategies and real classroom experiences focused on students' learning for post-primary mathematics teachers and third level personnel involved in initial teacher education.
