

ONLINE WORKSHOP - TEACHING MATHEMATICS IN A DEIS SETTING

Teaching Mathematics in a DEIS setting can present challenges and opportunities. This interactive online workshop will examine some of the factors that affect teaching, learning and assessment in the Mathematics classroom. Through exploration of the Teaching for Robust Understanding (TRU) framework, this workshop will facilitate the design of rich tasks as a productive approach for engaging students with Mathematics and developing students' mathematical competencies.

WEDNESDAY APRIL 21ST	18:30 - 21:00
SATURDAY APRIL 24TH	09:00 - 11:30
THURSDAY APRIL 29TH	18:30 - 21:00

Book your place online at www.pdst.ie/onlinebooking

Places will be allocated on a first come first served basis so book early to avoid disappointment. This interactive online workshop will be conducted via Zoom. Participants who register will receive a link to the seminar prior to the event. If you have any queries, contact us at postprimarymaths@pdst.ie.
