

## Webinar — Teaching Mathematics in the Current School Context

This webinar will explore approaches to teaching Mathematics to support student learning at the current time. The use of rich tasks in a blended learning environment will be explored.

The webinar will comprise a mixture of presentation by PDST advisors and input from a panel of practising Mathematics teachers who have experience of implementing such approaches. Attendees will have opportunities to present questions to the panel.

The panel will include Aidan Roche (Coláiste Bríde SS, Enniscorthy), Joe Geraghty (St. Gerald's DLS College, Castlebar) and Yvonne Marley (Old Bawn CS, Tallaght).

The webinar will be hosted on the Zoom platform. Participants should register via [www.pdst.ie/onlinebooking](http://www.pdst.ie/onlinebooking) and will then receive an email with further instructions for attending the webinar.
