

MathsMeet 2022

Making Connections

IMTA, JCT & PDST JOINT CONFERENCE

Keynote Speaker:
Ed Southall

Ed Southall has worked in education as a lead teacher, head of department, senior leader, and advisor for 17 years in both primary and secondary school in the UK and the Middle East. He is the author of 4 mathematics books including the best selling pedagogy subject knowledge book "Yes, But Why? Teaching for Understanding in Mathematics", and most recently, "Geometry Juniors" for 8-12 year olds. Ed is also a senior member of the Mathematical Association and a popular presence on twitter amongst mathematics teachers and enthusiasts across the globe.
