

# Challenging all students in a Mathematics classroom

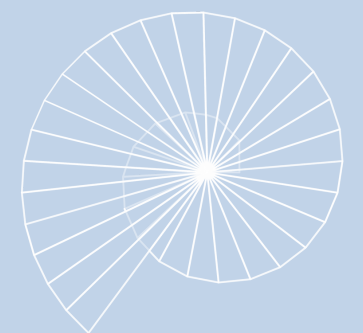

**This workshop will provide an opportunity for attendees to:**

Examine the challenges and opportunities presented to teachers in catering for all levels of learners of Mathematics.

A number of areas will be explored, including:

- Approaches for promoting learning inside and outside the classroom
- The use of rich tasks to engage all students in the Maths classroom
- The design of rich tasks to cater for all levels of learner in the Maths classroom
- The use of formative feedback to move students' learning forward
